

**Welcome to the CBS International Office Webshop.**

The CBS International Office is responsible for the coordination and implementation of all activities related to establishing and maintaining exchange agreements with universities abroad. The International Office also handles all matters related to the exchange of students and teachers to and from CBS.

The CBS International Office Webshop provides students with the possibility to pay for language tests, courses, and extracurricular activities in full by credit card.

This Webshop is a secure online payment system, operated in conjunction with DIBS.

In order to use the Webshop, you must first create an account and activate it. Following a successful purchase, you will receive an automated email confirmation.

If you have any comments or questions about the Webshop, please contact us.
